

MODEL 8316-17

This unisex sun collection has a raw urban attitude with its worn Titanium surface and its wood like temples.

The design is recognized by the symbol that has been carved on the fronts and added to the temples as a distinctive signature.

These shades are perfect for the laid back individual who prefers the casual Jeans and T-shirt look.

Available in two shapes in two colors each.

Lenses are all gradient in CR 39 material.
